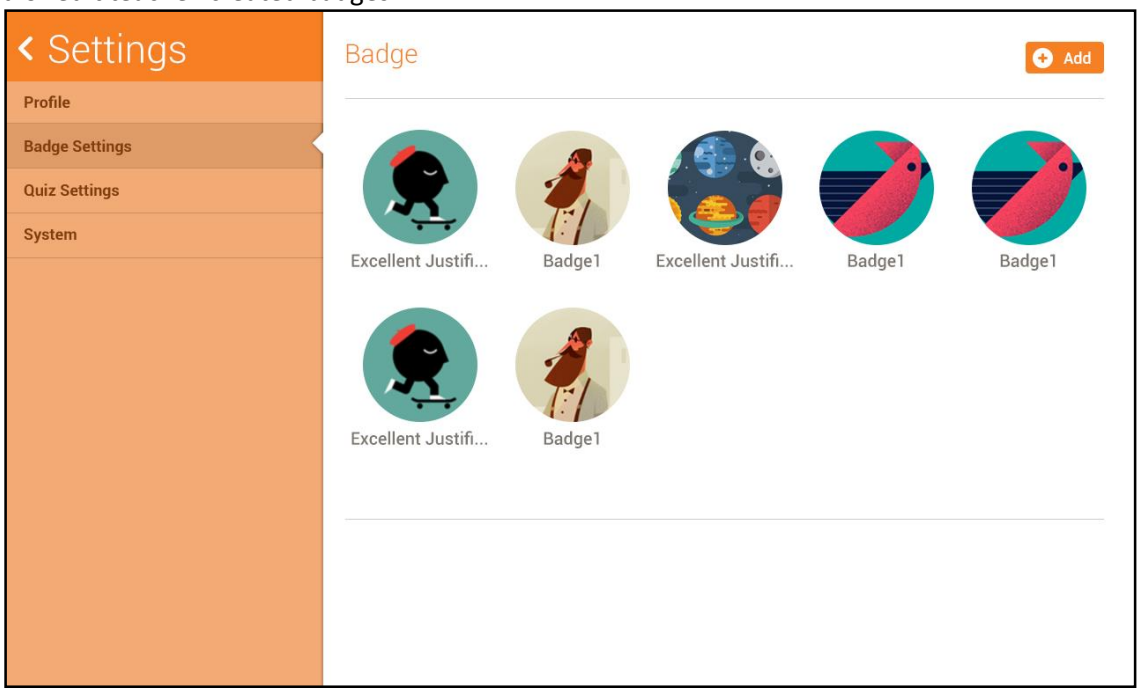
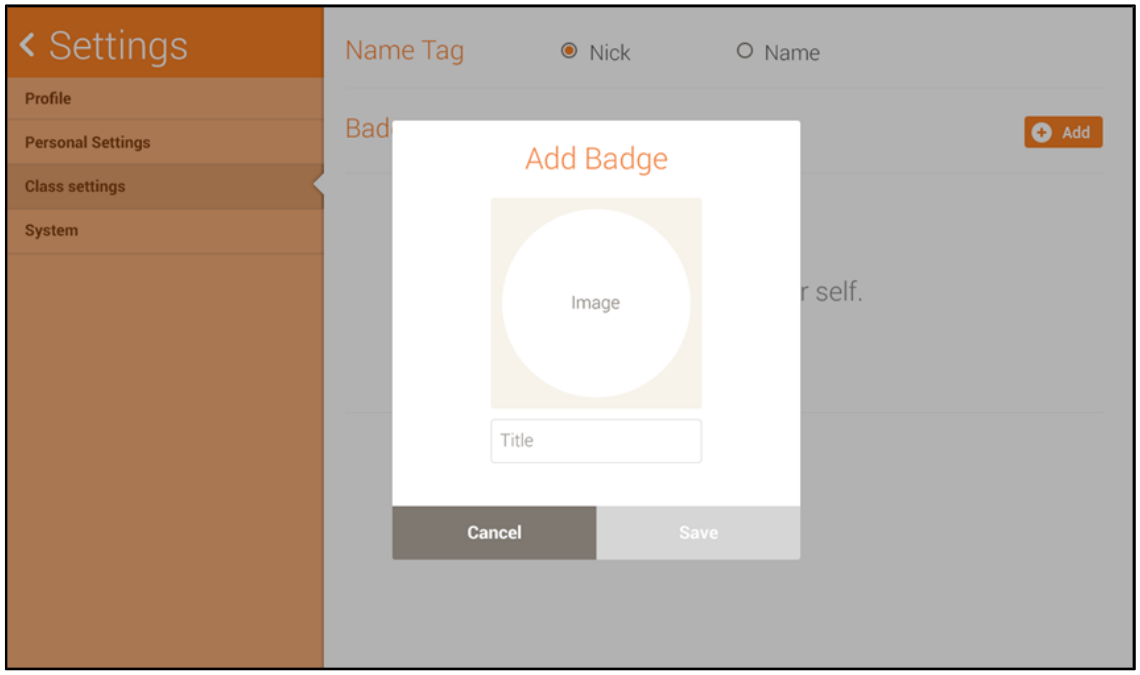
Adding badges and quizzes

Adding teacher-created badges

Add or edit teacher-created badges.



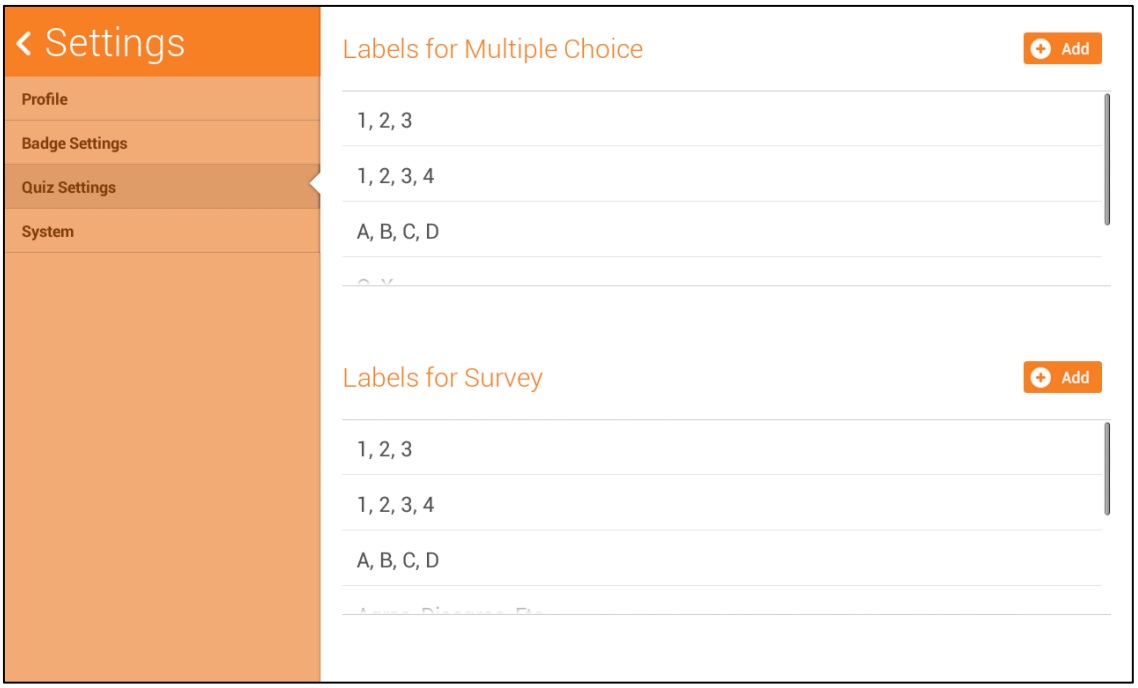
1. Select Add



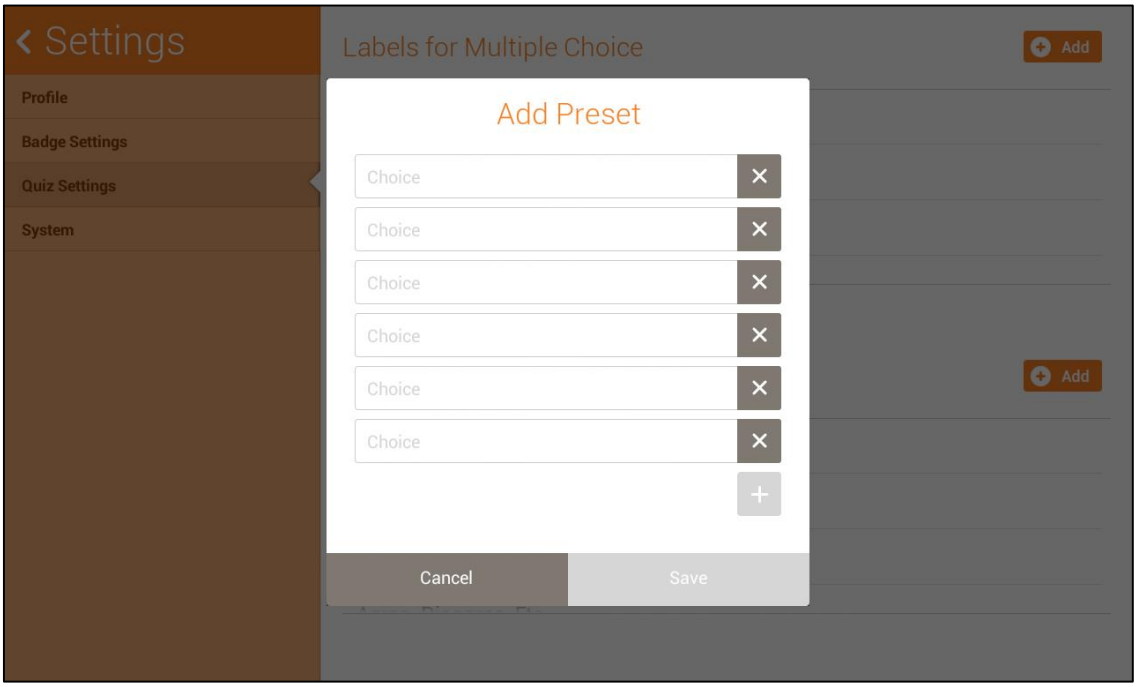
2. Select an image in order to add it as a badge and edit the title.
3. Select save to register the badge.

Adding presets to quizzes

Add or edit multiple choice and survey options



1. Select Add.



2. Add multiple choice or survey presets according to the desired quiz type.
   - Multiple Choice: 6 choices can be added, and each answer choice is limited to one character. For example, answer choices can be “A,B,C..”.
   - Survey: 6 choices can be added, and each answer is not limited to one character. For example, answer choices can be “disagree, agree”
3. Select save to register the preset.
